Moore Inventor Fellows

The [Moore Inventor Fellowship](#) supports early-career scientist-inventors who create new tools and technologies with a high potential to accelerate progress in the foundation's areas of interest (scientific discovery, environmental conservation, and patient care), allowing these scientist-inventors to focus on their inventions. Candidates must be faculty, research scientists, postdocs or other full-time staff who can receive funding through their institutions and must be no more than 10 years past receiving the terminal advanced degree in their field (M.S., Ph.D. or M.D. received on or after 2014). This is a [limited submission](#) opportunity where the UO is allowed to nominate two fellows. If you are interested in this opportunity, please complete the online [notice of intent to submit](#) by **October 8, 2024 by 5:00 p.m.** The application deadline is December 13, 2024.
